# PICTORAMA 100

The freshman class views the past of Fairmont State College. Their PICTORAMA opens with a scene of the first campus located at the head of Adams Street on Quincy Street. Here the old Normal School was founded in 1867 to train teachers. Reminiscing about the century's many changes, students find a sharp contrast between today's modern, colorful multi-structure campus and the original two story brick building.

Three children play by an old picket fence in front of the Normal School.

Full-blooming azaleas and the Student Center create a charming backdrop for a coed and her date to chat informally over an issue of the student newspaper.

When school opened in 1872 and students' thoughts turned to study, football, and a colorful fall season, the original structure had been expanded by the addition of a wing.

From the beginning the college has had to expand to meet the demands of its increasing student body which now numbers 2500.

The Normal School was well established by 1876. Administration, faculty and student body were operating with the efficiency of a well oiled machine. The Normal School was then considered "no longer an experiment" but an established state institution.

Led by an energetic core of cheerleaders, an eventful year begins with the gay festivities of homecoming. Students are settling into the routine of concentrated study and various social activities.

The curiosity of the freshman is heightened as they see that the future will offer a wider spectrum of academic, cultural, social, and athletic programs.

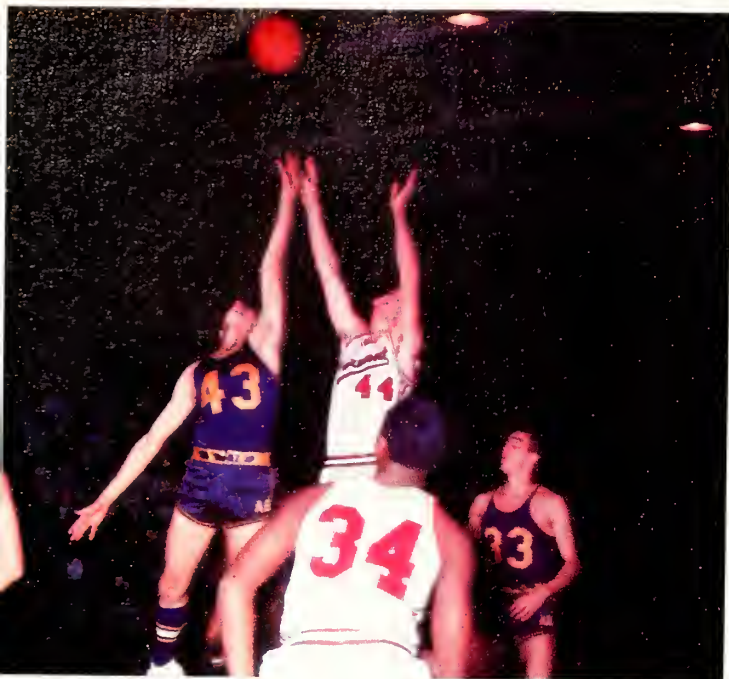

In 1893 the campus was moved to a new location at Fairmont Avenue and Second Street which is pictured above as it appeared in 1900.

At that time the cultural program included literary societies, music groups, and an enlarged academic program.

Today's cultural opportunities ranges from skiing in the winter to theater in the round during the summer. Also an esthetically stimulating campus contrasts

classical architecture with modern lines of new and proposed buildings.

Fighting Falcons, FSC athletes,  
have had outstanding team records  
gaining regional and national conference  
recognition in past years. Dominating  
life at Fairmont State are the three  
"S's": study, social activity, and  
sports.

Construction began at the school's third and present site in 1914. Pictured above is the administration building as it appeared in 1916 prior to its completion in January 1917. The transformation of Fairmont Normal School into a state teacher's college was begun at this time. By 1923 permission was granted for the school to offer a four year college course and to grant an A.B. in education.

Traditions which have their  
heritage deeply rooted in  
Fairmont State's past are carried through  
all seasons of the year.

By the end of the 1920's, the college's facilities had expanded to include a second wing administration building, a library, and cafeteria.

May arrives with spring formals and preparations for final exams.

Seniors celebrate their final days at FSC with parties at scenic places such as nearby Valley Falls.

As the Senior Class of 1966  
took its place among the  
alumni, Fairmont State College  
moved toward its second century  
in higher education.

The Freshman Class concludes  
its PICTORAMA 100 by mounting  
the academic steps that will  
lead into a promising future.

## Freshmen Arrival

An eager and expectant Freshman class arrived at Fairmont State College early in September ready to begin a new type of life. After filling out application blanks and waiting for replies, all frosh were eager to begin. Registration which involved long hours of standing in line and filling out dozens of forms, got class members off to a

hectic start. Among activities given to acquaint the new freshmen with each other and with the school were a torch-light parade, a freshman mixer, and tours of the various departments. The regular routine of everyday college life was a welcome change after the hustle and bustle of orientation week.

## CROSS COUNTRY HAS 6-3 RECORD

The Fairmont State Cross-Country team finished the 1966-67 season with an impressive record of six wins and only three losses. The runners took three wins from West Liberty, two wins from Davis and Elkins, and one win from Concord. They lost twice to West Virginia Wesleyan and once to Waynesboro, Pa.

This was the first season for Coach Bart Watson who expects to have an even better season next year since none of the runners were seniors.

Fairmont State cheerleaders Lydia Layman, Helen Vincent, Mykie Wilson, and Anna Marie Cinalli.

## SPIRITED FALCON CHEERLEADERS

Women's Hockey, first team: Marty Milbrada, Kathy Hosaflook, Vickie Brown, Kay Spidle, Charlotte Hugus, Barbara Day. *Second row:* Theresa

Romberger, Bonnie Strawser, Lucy Fleming, Pat Schmidt, Ruth Silbaugh, Val Girone, Sue Christner, Louise Carberry.

## FSC FALCONETTES

Each fall approximately thirty college women participate in a full schedule of field hockey games. The season is preceded by an inter-collegiate clinic, sponsored by the Falconettes, at which instruction is provided by members of the Women's United State Field Hockey Team and by members of the Pittsburgh Field Hockey Association. Later, the Falconettes, being a participating club of the Pittsburgh Association, make an annual trip to Chattam College in Pittsburgh for another clinic. Soon after, the season officially begins with several matches scheduled from September to November with teams from neighboring colleges. Although the Falconettes did not have a winning season this fall, next year's season should be much improved since most of the team now has a year of experience.

## BASKETBALL

Senior Dave Miller led the FSC Basketballers to another successful season. The Falcons sported a 22-4 record.

In the West Virginia Conference Tournament the Falcons had to settle for the runner-up spot after losing the championship round to Morris Harvey.

During the Salem game, Dave Miller broke the schools' all-time scoring record. He was also named most valuable player in the WVIAC tournament.

With Miller being the only senior, Coach Joe Retton should have a very successful season next year.

## Golf Team Aims High for '67

The 1966 was a year of experience for the young, Falcon golf team. Fielding a team of three sophomores and two freshmen, Fairmont still managed to break even in its head-to-head matches and also copped an upset second place in the North Central regional. Pacing the Falcon were returning lettermen Steve Mikulski and Ron Million, while freshman newcomer Jim Mallamo proceeded to become the third major threat on the team. Rounding out the top five were Bill Meredith, cool steady sophomore; and Bronson Reese, a promising freshman.

But this team was aiming for 1967. With all of this year's lettermen returning and with a hopeful crop of talented freshmen, the FSC golf team is eyeing the WVIAC championship and a trip to Kansas. And until next year, one can still hear an occasional "Fore! Kansas City, here we come."

TENNIS TEAM *row one:* Tom Lopes, Dave Robertson, Pete Holt. *Row two:* Lou Gargeuella, Dave Clark, Skip Campbell, Roger Bateman, Dennis Kramer, Deacon Duvall.

## TENNIS

The Fighting Falcon Tennis Team enjoyed its best season with a record of eight wins and only two defeats.

The netmen finished second in the WVIAC tournament, losing by only one point to conference champion Morris Harvey.

Fairmont had all six men in the single bracket finals, with only Skip Campbell winning the crown in the fourth division. Campbell was state runner-up the preceeding two years.

Dave Robertson and Tom Gargeuella capped the number three double crown, leading the team to its successful season.

Swimming Team, Tom Dorf, Lenny Minisero, Bob Shimp, Jay Dugan, Dennis Brown, and Sam Perry;  
*Second row: Joe Bundy, Coach; Bob Tasker, George Michael, Don Edwards, John Brown, and Steve Rexrode.*

## Panhellenic

Panhellenic is derived from two Greek words, "Pan" meaning all, and "Hellenic" meaning Greek. Thus, Panhellenic has come to mean an organization of all Greek letter fraternities for women. The Council is composed of representatives from each sorority. It's purpose is to govern the women's fraternal organizations.

## Inter Panhellenic

The Council consists of two representatives from each of the sororities and fraternities on campus. Their purpose is to foster and promote a cooperative spirit between sororities and fraternities sponsoring the Holly Ball, Greek Week, and Song Fest.

*Row 1:* S. Clelland, K. Spidel, M. Martz, B. Strother, V. Riggensbach, *Row 2:* J. Kurczak, D. Slate, H. Hill, C. Donnely, J. Barniak, *Row 3:* G. Baker, J. Chadwell, D. Kellison, S. Hess, K. Bitonti, C. Weiss.

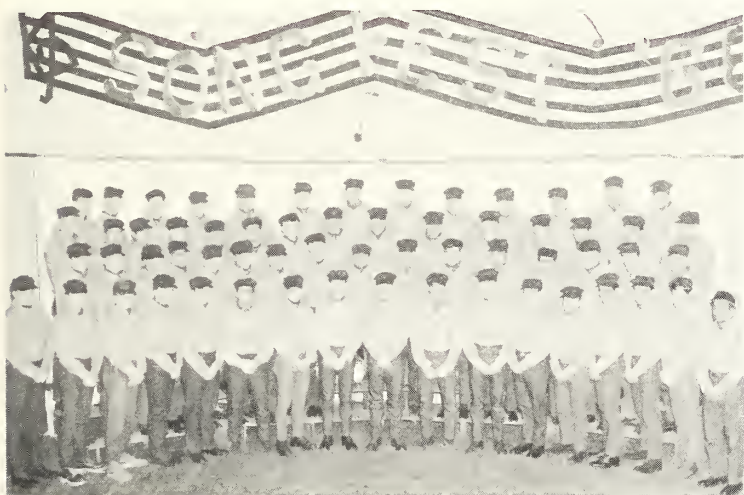

# Song Fest

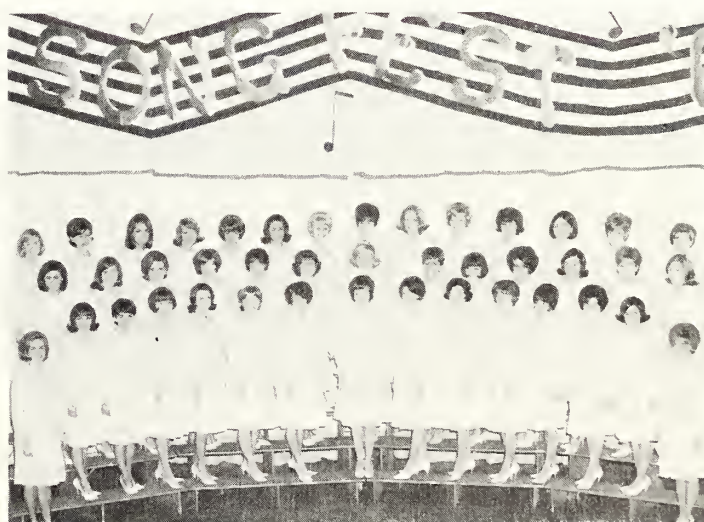

The history of the Song Fest dates back to the spring of 1949 when it began as a competitive measuring stick among the sororities on campus. It was carried on in the spring of the following year but was dropped in 1951. After an alternating sequence of being presented, and not being presented, the Song Fest was revived by an invitation for the fraternities on campus to take part and compete under a men's division. Since that time the Song Fest has had continuous success, being presented every year except 1958. Below are the winners for the various years.

FAIRMONT STATE COLLEGE officially opened the Centennial on January 6 with dramatic ceremonies, speeches and cannon salutes.

# Centennial Significance Lies in Future - - Feaster

By FANNIE HOFFMAN  
West Virginian Staff Writer

## FSC Launches 100th Birthday

Fairmont State College entered a new year and its second century of progress this morning with the roaring of cannon, the applause of students and the rousing music of the school band.

Several hundred students massed in front of the Administration Building at 9 a.m. to hear Dr. Eston K. Feaster and other speakers sum up the first 100 years of the college and look forward to the next 100 years.

Dr. Feaster, in comparing the observance of this 100th anni-

versary with that of a 100-year-old individual, pointed out that in the case of the individual the emphasis would be on the past, whereas the past is only a prelude to the future where the college is concerned.

### Program Given

The real significance of the college centennial, he said, lies not in the past but in the future, not in past achievements

and memories but in its potential for further progress and achievement.

Conducted by Wesley Gragson, director, the FSC band opened the program with the playing of the Invergill march.

This was followed by one of three cannon salutes by the Theta Xi Civil War signal cannon, an appropriate firing piece for the celebration since

it, too, is at least 100 years old. The cannon, which measures not much more than two feet from stem to stern, was acquired by the fraternity about two years ago.

### Opens With Prayer

Dean Paul V. Yost, after a few welcoming words, introduced the Rev. Rodger Hughes, who gave the invocation. Father Hughes is an assistant at St. Peter's Catholic Church and director of the Newman Foundation.

Eugene W. Satterfield, president of the Alumni Association, in his address, urged the students to remember their college and continue as active alumni after they have ceased to be active students, adding that in this way they can contribute toward the next 100 years of progress at the college.

"Carry your centennial enthusiasm with you" was the theme of a brief talk given by Ike Robinson, president of the FSC Student Body. In this way, he told his fellow students, your enthusiasm will carry your Centennial."

Robinson's talk was followed by a short tableau in which two students dressed in 1867 costume handed a scroll, representing 100 years of college tradition, to Mr. and Miss Freshman of 1967.

The 1867 student miss was represented by Linda Hall, dressed in crinoline, bonnet and shawl. She is the daughter of Mr. and Mrs. Alpha B. Hall of 101 Lamont Court. Her male counterpart was Robert Snider of Grafton, attired in 1867 top hat, frock coat and pants, and sporting a mustache and sideburns.

Mr. and Miss Freshman of 1967 were Albie Cross, son of Mr. and Mrs. Arthur L. Cross of 1112 Westmont Road, and Vickie Moninger of Follansbee.

The third and final cannon salute brought the program to a stirring finish.

FAIRMONT STATE'S CENTENNIAL got off to a "bang" as the Civil War cannon belonging to Theta Xi Fraternity fired a round officially opening the year's celebration.

### Does the light really go off when you close the refrigerator door?

It really does. But even if it didn't, it would hardly make a difference in your electric bill.

That's because the price you pay for electric service is so low, it's one of the best bargains you can get. Nothing else does so much and costs so little.

Today, while the cost of nearly everything else has been going up, the price you pay per kilowatt-hour for your electric service is less than it was just a few years ago. And the investor-owned electric light and power companies intend to keep benefits like that going right on into the future, too.

You've got good things going for you with service by the people of your electric company.
